

Will your child carry an Epi-pen to school?

If yes, we need your help.

Please go to www.EpiPen.com and register his/her Epi-pen under the myEpiPen tab.

You will receive 2 free Epi-pen carrying cases. Please select the bright yellow for your child's school case. This will help us have consistency as a school with ensuring your child's EpiPen is always readily accessible and recognizable to all of our faculty and staff.
