

Mission Opportunities 2018-2019

Not all the destinations listed below will be selected as National or International Mission Trips. The final decision as to destinations will be based on whether or not a minimum number of students select that particular trip.

- Begin to pray about the location at which the Lord would have you serve during our TKA Mission Week.
- You will have a choice to stay local, or to choose a National or International destination.
- There is no cost to be a part of the local team (unless your team orders tee shirts).
- Each team will decide whether or not to do fundraisers. (The responsibility of planning and implementing fundraisers is with the parents).
- There will be 3 scheduled payments (Dec., Jan., Feb.) for the trip, with the full amount due prior to the trip.
- The prices below are an approximation.
- Some trips require immunizations (not in the cost of the trip).
- International destinations require a passport (at your expense).
- Cell phone usage on out of town trips will be very limited.
- You will sign up for missions early in October.
