

## Mission Opportunities for 2017

Not all the destinations listed below will be selected as National or International Mission Trips. The final decision as to destinations will be based on whether or not a minimum number of students select that particular trip.

1. Begin to pray about the location at which the Lord would have you serve during our TKA Missions Week.
2. You will have a choice to stay local, or to choose a National or International destination.
3. There is no cost to be a part of the local team.
4. If you choose a National or International destination you will be responsible for the cost of the trip.
5. Each team will decide whether or not to do fundraisers. ( The responsibility of planning and implementing fundraisers is with the parents; the trip leader will assist.)
6. There will be scheduled payments for the trip, with the full amount due prior to the trip. Payments will be December, January, and February.
7. The prices below are approximation.
8. Some trips require immunization
9. International destinations require a passport.
