

TKA Summer Reading

for rising 4th graders

Dear Parents of Rising 4th Grade Students,

As a school, we have seen some awesome benefits of our summer reading program. Statistics tell us how very important it is for students to keep up their reading and writing skills over the summer. It is our goal at TKA for our students to come back refreshed from summer break, but also on track and ready to jump back into learning. Students will read 2 books: 1 required and 1 of their choosing from the following list. Each student needs to choose a book that he/she has not read before. After reading each book, the student will answer the questions on the attached sheet. These papers are to be turned in on the **first day of school**. Teachers will count these reports as test grades in reading and for the first nine weeks of the next school year. Please make sure that each report is written neatly in cursive handwriting. Students need to write in complete sentences that are grammatically correct. In the fall, students will also be required to take the AR test that accompanies each book he/she read from the list. Teachers will use this as a gauge to see how well the students comprehended the stories they read.
