

Summer Reading-3rd Grade

This summer reading is a good way to “get back into the swing of things” during your last few weeks of vacation. These are not AR books. These are books that are in your TKA library. You may have some of them in your own home library, or you may find them in the public library, too. Please choose five of your favorite from the list. We will be having a reading recognition during our first Lower School Chapel. You will be recognized and receive a certificate for all your hard work! Happy Reading!

Please choose 5 books to read
