Parents/Students:

There are no lockers at the US. The A/B schedule eliminates this need. We suggest you consider two book bags, one for your A-day books and one for your B-day books and this allows for more room in the classrooms. Book bags will be allowed in the classrooms.

****Any student who already owns a graphing calculator and has either a Ti-83 or Ti-84 regular can use the one they have.....it is not necessary to buy a new one.
