

Things Are Happening At TKA!

August 22, 2008

Dear TKA Parents,

I am looking forward with excitement to a great year of being partners in the education of your child. As Mr. Wilson and I enter into partnership with committed parents, eager students, and our Faithful Father God, we are certain to experience the power of God as He faithfully carries to completion the good work that He began 18 years ago. It is almost impossible to express our thankfulness for the many years of service given by those who God used in establishing The King's Academy. Those first seven families, along with the 18 years of dedicated service of Karen Rainwater and Diane Creveling, have brought us to 2008 and our nineteenth year as a school. This year's verse, "*being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus.*" *Philippians 1:6* will serve as a reminder to us all year that this is truly THE KING'S Academy. He began it and He will complete that which He has started. My prayer is that we will be true to the vision which God gave in the beginning and that those who come behind us will find us faithful.

I want to welcome our students who are new at TKA this year and welcome back our returning students. Parents, thank you for choosing The King's Academy and for allowing me the opportunity to come along side you in shaping your child and in leading him or her into the fulfilling life that God has ordained for each one of them. This summer, I had a very powerful lesson in how children are like wet cement. The time we have been given to shape them is very short. We must be ready, with the right tools, willing to get dirty and preferably down on our knees in order to get the job done.

Let's pray for one another that God will bless our efforts and that He will cause us to grow in Him, learning those important lessons He has in store for each one of us. Please do not hesitate to call if you have any questions or concerns. So let's keep those lines of communication open! And as always, thank you for investing your "*treasure*" at TKA. We know the Word is true that says "where your treasure is, there your heart is, also." You are blessed abundantly with these precious young people in your lives as we, too, are blessed at school when you share them with us.

Together in Him,

Martha Chastain
TKA Principal
